Dear NLA Partners,

I am writing to offer our past and future partners outstanding opportunities to connect, interact, and mingle with an audience that is enhancing the practice of lipid management and providing care to patients in a passionate way. I invite you to join the National Lipid Association (NLA) as an exhibitor and sponsor for our 2020 Scientific Sessions in Chicago on June 4-7. Our exhibit halls are meticulously planned, and our sessions are scheduled to provide our exhibitors and sponsors an ample amount of time to speak directly with our attendees concerning your products and services. Our audience consists of primary care physicians, lipidologists, cardiologists, endocrinologists, PhD researchers, nutritionists and dietitians, exercise physiologists, and other healthcare team professionals. Our attendees are on the front lines of advancing science and medicine and can benefit from your services in the diagnosis and management of their patients.

We thank our past exhibitors and sponsors and invite you to join us in the exciting year ahead. Things are moving very rapidly in the field of lipidology. We hope that you will take the opportunity to speak with our attendees about ways in which you can work together to improve the care of the patients we serve. On behalf of the NLA Board of Directors, its members and its staff, we look forward to partnering with you.

Sincerely,

Antonio M. Gotto
